

YEARLY STATUS REPORT - 2021-2022

Part A	
Data of the Institution	
1.Name of the Institution	M.R. GOVERNMENT ARTS COLLEGE
• Name of the Head of the institution	Dr. (Mrs.) S. Usha
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	04367255440
• Mobile no	9842267709
• Registered e-mail	principal@mrgac.ac.in
• Alternate e-mail	principalmrgac@yahoo.co.in
• Address	VOC Road, Mannargudi
• City/Town	Mannargudi
• State/UT	Tamil Nadu
• Pin Code	614001
2.Institutional status	
• Affiliated /Constituent	Affiliated
• Type of Institution	Co-education
• Location	Rural
• Financial Status	UGC 2f and 12(B)

• Name of the Affiliating University	Bharathidasan University, Tiruchirappalli
• Name of the IQAC Coordinator	Dr. K. Panneer Selvam
• Phone No.	9842267709
• Alternate phone No.	04367255440
• Mobile	9442271813
• IQAC e-mail address	iqac@mrgac.ac.in
• Alternate Email address	principal@mrgac.ac.in
3.Website address (Web link of the AQAR (Previous Academic Year)	www.mrgac.ac.in
4.Whether Academic Calendar prepared during the year?	Yes
• if yes, whether it is uploaded in the Institutional website Web link:	https://mrgac.ac.in/iqac/calender/2021-2022.pdf

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	C++	67.50	2006	21/05/2006	20/05/2011
Cycle 2	B	2.40	2014	24/09/2014	23/09/2019

6.Date of Establishment of IQAC**08/03/2011****7.Provide the list of funds by Central / State Government
UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,**

<ul style="list-style-type: none"> • If yes, mention the amount 				
<p>11.Significant contributions made by IQAC during the current year (maximum five bullets)</p>				

1. IQAC inaugurated the Golden Jubilee Year Celebrations of College Inception and organized alumni meeting on 13.08.2021. 2. IQAC continued to coordinate curricular planning and their effective practice among teachers of all the departments 3. A meeting of criterion- wise coordinators of NAAC cycle 3 assessment and accreditation was convened on 07.09.2021 with an agenda of expediting the process of all preparations. 4. Staff induction of NAAC provisional accreditation cum NAAC cycle 3 assessment work progress review meeting was organized by the IQAC on 1st April 2022. 5. A meeting of staff and students with Thiru Dr. TRB Raja, Member of Legislative Assembly, Mannargudi was coordinated by the IQAC on 04.04.2022. 6. Continual of receiving feedback with respect to the design of curricula and library user satisfaction from department staff, students & alumni and their assessment was ensured by the IQAC. 7. IQAC organized NAAC- SSR orientation meetings with respect to criteria I & II on 08.04.2022 and 26.04.2022 respectively. 8. NAAC cycle 3 assessment and accreditation work review cum staff induction meeting was organized on 12.05.2022 by the IQAC. 9. IQAC continued assisting all departments as to organize online events like webinars, quiz, virtual seminars etc., to submit research proposals to granting institutions, to publish research papers as well as inducted participation of staff and research scholars in seminars/ workshops.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
To convene IQAC meetings with special reference to NAAC cycle 3 assessment and accreditation of the college.	IQAC organized 2 meetings with criterion- wise coordinators and with NAAC Department coordinators respectively on 07.09.2021 & 04.10.2021 and reviewed the NAAC cycle 3 assessment and accreditation process.
To inaugurate the golden jubilee year of M.R. Government Arts College, Mannargudi - 614 001 inception.	On 13.08.2021, IQAC inaugurated the Golden Jubilee Year celebrations as it's the 50th year since the college was incepted on 13.08.1971
To encourage staff members participation in Faculty development programs.	In this academic year, a total of 16 staff members participated in faculty development programs, refresher courses, short training courses and workshops.
To organize staff orientation / induction meeting.	On 01.04.2022, IQAC organized a staff meeting and oriented on NAAC Provisional Accreditation which was about to be introduced by the NAAC.
Staff orientation of 7 criteria / NAAC - SSR updation	IQAC organized 2 meetings [on 08.04.2022 & 26.04.2022] and oriented NAAC Department coordinators with respect to revisions of all NAAC criteria.
Resource mobilization - Research projects by the members of staff & students	Dr. K. Panneer Selvam, Assistant Professor & Head, Department of Microbiology received a Minor Research Project (MRP) entitled 'Carrier derived Cryptococcus neoformans - regional status, extra cellular proteins' profiles and genomic characterization' sanctioned for grant by the Tamil Nadu State Council for Higher Education (TANSCH), Chennai - 600 005. Similarly, 4 student projects

	<p>under the Student Project Scheme, Tamil Nadu State Council for Science and Technology (TNSCST), Chennai - 600 005, Chennai - 600 025 were received by Ms. S. Abinaya, Ms. T. Tharshini, & Ms. T. Karnika & Ms.J. Keerthana, II M.Sc., Microbiology respectively under the guidance of Dr. S. Rajan, Assistant Professor, Dr. V. Baskar & Dr. K. Subha, Guest Lecturers (Full- time teachers), Department of Microbiology.</p>
To publish research articles in peer- reviewed journals; indexed journals.	A total of 34 research articles were published during 2021- 2022 by staff members from humanities, commerce, management and science departments.
Joint Publication of papers in journals.	Four staff members of the college from the Departments of Chemistry, Commerce, Botany & Zoology have jointly published 7 research articles in various journals.
Edited book chapters by staff members	2 members of staff have published 2 chapters in edited volumes in 2021- 2022
To actuate Student Satisfaction Survey (SSS) with respect to students academic satisfaction during their course of study	Students were oriented regularly as to record their opinion by participating in SSS and the survey has been done effectively.
13.Whether the AQAR was placed before statutory body?	Yes
<ul style="list-style-type: none"> Name of the statutory body

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2021-2022	15/02/2023

15. Multidisciplinary / interdisciplinary

In addition to ancillary or allied courses of all programs, theory courses under Non- Major Electives (NME), Skill Based Electives (SBE) and Major Based Electives (MBE) offered by the affiliating Bharathidasan University, Tiruchirappalli, Tamil Nadu bring-in either multidisciplinary or interdisciplinary features or both and the learners are indeed benefited. Additionally, the allied practical courses fully cover interdisciplinary knowledge among the students. Similarly, there is a substantial scope of imparting multidisciplinary skills among students through the compulsory 'Extension Activities' offered in the university curriculum in which the graduating students are exposed to a wide spectrum of curricular, co- curricular and extra- curricular awareness through NCC, NSS, RRC, YRC, Fine arts etc. activities and thus afford not only a multidisciplinary learning but, engagement with local community. While project work pursued by post graduate learners would certainly guarantee multidisciplinary or interdisciplinary skills among them, the field visit based studies and internships among under graduate students are a multifactorial learning. As a notable practice, the institution offers a 'certificate program' for under graduate students which additionally work for interdisciplinary or multidisciplinary coverage. Ten of twelve departments are engaged in research; staff members as research guides and advisors, execute research studies of their scholars as multidisciplinary and interdisciplinary. Screening for herbal medicines among regional medicinal plants, development and synthesis of alternative medicines, nanotechnology for nanoparticles with novel activities, epidemiological research and disease investigations etc., are some of the areas in which research advisors from the college have done commendable works which are interdisciplinary or multidisciplinary. Environmental awareness is taught through the course 'Environmental Studies' and education as a holistic activity is underscored through 'Value Education' course.

16.Academic bank of credits (ABC):

M. R. Government Arts College, Mannargudi is affiliated to the Bharathidasan University, Tiruchirappalli, Tamil Nadu; all the programmes are structured based on Choice Based Credit System (CBCS) and various courses of Part I, II, III, IV & V are credited from 1 to 6 credits. It is mandatory that students pursuing various UG and PG programs are to respectively accrue a total of 140 and 90 credits to qualify the degree. However, the university curricula does not possess the system of Academic Bank of Credits (ABC) with credit transfer systems enabling multiple entry and exit options as envisaged in the NEP 2020 and the college would follow the same once the affiliating university offers such an option. On the other hand, the students can decide their choice with respect to non- major elective and skill based elective courses through the present Choice Based Credit System. As a regional higher educational institution with a quality higher educational service for more than 50 years to majorly socio- economically marginalized students, the institution endeavours to elevate itself as an 'autonomous institution' to facilitate implementation of various other features of Academic Bank of Credits (ABC).

17.Skill development:

As career advancements among students are majorly skill oriented, the curricula of the affiliating Bharathidasan University, Tiruchirappalli, Tamil Nadu include skill development courses. Both soft and subject skills are imparted with suitable courses depending on the programs. 'Soft Skill Development' is a common course and offered across all the undergraduate programs; it hosts understanding others through interpersonal skills, communication with others by imparting communication skills, to work with others by providing corporate skills along with career development and skills for understanding oneself. The practical courses do their natural justice towards developing the skills of graduates. The 'Computer Literacy Program - CLP' offered by the Government of Tamil Nadu for the under graduate students is an exclusive computer skill development program and all non- computer science students avail an outside- the- curriculum opportunity of practising the minimum essential computer skills.

In addition, soft skill course [course with 15 sessions (30 hours)] is offered for all the final year under graduate students; the course syllabus covers various components of Communicative English and Computer Science and is offered by the Tamil Nadu State Council for Higher Education, (TANSCH), Chennai, Government of Tamil Nadu. The external subject experts handling the soft skill course adds

additional strength to the course. Further, students are facilitated with department level workshops as well as encouraged to participate in any such workshop or vocational events organized by other institutions or centres as to support and enhance their employability and entrepreneurship skills.

Besides Tamil and English courses offered for UG students, the course 'Value Education' emphasizes on various components pertaining to philosophy of life and values, yoga & health. Remarkably, constitutional or national values of democracy, socialism, secularism, equality, justice, liberty, freedom and fraternity; social values of pity and probity, self-control, universal brotherhood; professional values of knowledge thirst, sincerity in profession, regularity, punctuality and faith; religious values of tolerance, wisdom, character and aesthetic values of love and appreciation of literature and fine arts and respect for the same are imparted among the students through the course.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The syllabus of the course in Part I - Tamil includes chapters of Indian culture and tradition and the same are transacted among the students of all under graduate programs. Precisely, the Part I-Tamil course in 4th semester includes lessons on Indian culture and is taught in offline mode or handled in online & offline mode as during lockdowns due to the COVID 19 pandemic. Lessons pertaining to Indian ancient traditional knowledge, Indian Culture and traditions are also discussed in courses like Archaeology and Stone carving among BA Tamil students as well as among all under graduate students through Part I - Tamil course. A few research work undertaken by scholars with guidance of staff from the campus, studied about sacred grooves hosting temples and terracotta but reflecting Indian arts, tradition, culture and beliefs and are getting transacted with students during the scholar's viva- voce or through seminars and conferences. Similarly, teachings about Indian languages like Pali & Prakrit is done through some Part I - Tamil lessons; though students are not taught about tribal and endangered languages, research studies were done by a few scholars about endangered plants and tribal medicines.

The under graduate programs of History, Physics, Chemistry & Botany are offered at the college both in regional (Tamil) and in English languages and all other programs are offered only in English medium. However, majority of the students of the institution who represent the surrounding villages of the region take up their education only

in Tamil medium until they enter in to higher education. In view of this scenario, all the classes are generally handled bilingually and the teachers are basically capable of executing the same. Except during COVID 19 lockdown period, the classes are generally conducted only in offline mode.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The institution is affiliated to the Bharathidasan University, Tiruchirappalli, Tamil Nadu which ensures Programme outcomes (POs) at the institution level, Program Specific Outcomes (PSOs) at the programme level and Course outcomes (COS) at the individual course level. Accordingly, all the departments of M.R. Government Arts College, Mannargudi has been practising suitable academic activities through curricular, co- curricular and extra- curricular modes so that the program attains the intended outcomes after graduation. To guarantee the outcomes, curriculum is delivered with a perfect plan; the course plans are prepared well ahead of time and presented targeting the outcomes. The co- curricular and extra- curricular activities in the form of suitable field & industrial visits by students fills any gaps of curricular delivery in reaching the outcomes. Similarly, the Continuous Internal Assessments (CIA) of students by their teachers has been a direct method of assessing the outcome based education.

20.Distance education/online education:

As instructed by the Department of Higher Education, Government of Tamil Nadu and the Directorate of Collegiate Education, Chennai, online classes were offered from August 3, 2020 due to the COVID 19 pandemic caused lockdown. Both theory and practical classes were handled through online mode majorly using Google meet and Zoom meets. Google classroom enabled submission of course assignments by students as well as used by members of staff for Continuous Internal Assessments (CIA) of students. For practical experiments, suitable You tube videos were steamed as to explain the methodology of experiments. However, the experiments were subsequently performed 'hands- on' by students at the laboratories. Furthermore, 'whatsapp groups' of each class facilitated intimating important messages (with respect to classes Google links, time & other instructions) among class students. Question papers were supplied through the groups among the student candidates during their final semester examinations & enabled them to appear for the exams from residence. Subject or course notes and materials were also circulated among students through Google class room as well as by whatsapp group for reference, preparation etc. Study materials were also posted in the E-content portal of the college website; additionally, students are

encouraged to refer the E-content portal of the affiliating Bharathidasan University, Tiruchirappalli for course materials through which subject notes and materials posted by the institution's teachers as well as materials by other teachers are accessible. Email usage was also practised commonly during lockdown; students submitted their 'scanned answer scripts' through their email IDs after semester examinations for evaluations. Furthermore, each department is given with internet connectivity enabling subject reference, material collection for preparing study materials, streaming of videos for any topic of a course as and when needed, to work with online databases as required in bioinformatics practical etc., by members of staff. All staff members are encouraged to participate online faculty development programs, webinars, workshops and seminars as a mode distance learning for teaching.

CURRICULAR ASPECTS		
1.1 - Curricular Planning and Implementation		
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process		
M.R. Government Arts College, Mannargudi, Thiruvarur district, Tamil Nadu state is affiliated to the Bharathidasan University, Tiruchirapalli and implements the Choice Based Credit System (CBCS) curricula. Semester system and compartmentalization of the course		

curricula (as odd & even; each 90 working days or 450 teaching hours) enable effectual coverage of course portions. Precisely, the college calendar of each academic year guides effective curriculum planning; class time-table and a course plan ensure a good curriculum delivery. The continuous internal assessment (CIA) of students based on assignments, seminar, informed class tests, two internal tests, a model examination have been the approach to guarantee enhanced learning and right understanding of various topics of a course. Seminar classes and assignments' writings by students enable additional learning. Similarly, departments organize guest lectures, in-house & regular seminars, conferences, workshops/ lecture workshops, as well as facilitate student participation in such events organized by other institutions. Also, remedial classes, sessions for advanced learners, documented feedback of curricula and teaching - learning process, mentor & mentee system to solve students learning difficulties, curriculum based industrial / field visits of students and PG students' project work supplement their learning experience. If any class couldn't be handled as per the course plan, the class is suitably compensated ensuring effective curriculum delivery.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Yes. A well prepared academic calendar is adhered every year during the odd and even semesters; the academic calendar includes working days (month, date, day & the synchronizing total number of days worked), day order [Day order (A through F) time table is followed and a time table comprising six working days considered an Academic Week] and schedule of internal examinations I & II along with model exams under Continuous Internal Evaluation / Assessment (CIE/ CIA). The procedures of college admission & eligibility / discontinuation, UG, PG & M.Phil., courses with codes of both the semesters are also provided.

The calendar also presents teaching faculty of various departments, non-teaching staff, college office staff as well as vacancy

positions in each department. Similarly, the staff coordinators of NCC, NSS (5 units), YRC, RRC, career guidance cell, placement cell, student hostels, physical education, consumer club and free legal aid cell etc. are printed. The conduct of internal exams under CIE is adhered as scheduled in the calendar though a revision of the CIE schedule might be done during unforeseen periods due to incessant rain, depression/ cyclone, or other matters of regional as well as national episodes. On the whole, neither the regular classes nor the CIE evaluations are compromised and implemented as per the affiliating university norms as well as the college calendar. Nonetheless, in view of the COVID 19 caused lockdowns during 2021-2022, academic calendar was either adhered as such or followed with little changes as sought by the Government of Tamil Nadu.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Yes; the College is affiliated to the Bharathidasan University, Tiruchirappalli and its curricula appropriately integrate the cross-

cutting issues.

Human Values:

The course 'Value Education' presents philosophy of human life and social values through selected kural imparting the learners about human life on earth, its meaning and philosophy, peace in family and in society and the core theme centres around human values. The course is enhanced with topics on yoga, yoga education with modern context and practices of yoga.

Environment and Sustainability:

'Environmental Studies' course educates about environmental sustainability by protection through biodiversity conservation, measures to be taken, individual's role in preventing pollution and creating public awareness etc., and thus it's well integrated. Further, extension activities carried out through various units of the college add to this feature.

Professional ethics:

Ethical life is generally underscored and the course 'Soft skill development' enables students to achieve excellence in both personal and professional life with ethics and etiquettes. It imparts understanding oneself, interpersonal skills & relationship, communication skills and working with others.

Gender:

While the course 'Gender Studies' instructs various concepts of gender, areas of gender discrimination, women development and gender empowerment are also educated as to sensitize both genders for an ethically enriched life.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

M.R. Government Arts College, Mannargudi assesses the learning levels of the UG & PG students and conducts programs suitably as under:

Advanced learners / academically bright students are supported with suitable guidance and are the following:

Special classes by teachers

Seminars presentation

Participation in state level / national level seminars, conferences, workshops

Participation in interdisciplinary/multidisciplinary online academic programs like special lecture, guest lectures, language proficiency development events etc.

Motivating them to prepare and take-up UGC- NET/ CSIR-UGC- NET exams

Suggesting them to continue their higher studies and research

Quiz classes

Group discussion with peers

Participation in competitive exams

Encouraging them to acquire university ranks

Provision for proficiency prizes during 'College Day' or 'Annual Day' celebrations

Slow learners are offered with the following:

Remedial classes by teachers

Class tests

Internal & model tests

Assignments

Providing study materials/ notes

Mentoring and follow- up by class teacher/ HOD

Supporting for supplementary exams conducted by the affiliating university if anybody fails in a course during their final semester.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

As a regional institution imparting higher education among socio-economically backward students, its academic activities are completely student centric. Accordingly, the affiliating Bharathidasan University, Tiruchirappalli has designed its programs' curricula which include courses of experimental learning, participative learning and problem solving methodologies as to enhance learning experiences and employability of the students.

Experimental learning: The affiliating Bharathidasan University curricula themselves include learning through experiments. For instance, as a part of the course 'Environmental Studies', all the under graduate students do have a 'Field Work' based study which includes visit to a local area to document environmental assets- river / forest/ grassland/ hill / mountain; this in- personal observation/ experimentation, supplements effective learning of their courses. Students' industrial visits as a part of curricula, arranged by departments add to the learning process. Similarly, the course 'Project work' is undertaken by all the post graduate students for 3 months period and the hands- on experience / personal understanding of subject concepts/ principles exposes them to facts based real- time learning.

Participative learning: Students seminar classes, mini- presentations, group discussions, involving students while organizing events like guest lectures, seminars/ conferences, department association meetings ensure enhanced learning.

Problem solving methodologies: The course 'Project work' for PG students and the 'Field Work" part of 'Environmental studies' for UG students enables students to pursue 'case studies' and 'mini- research work' and thus enhances their learning process.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Due to the COVID 19 pandemic caused lockdown in 2020- 2021 as well as during 2021- 2022, all theory and practical classes were handled through online mode and ICT tools were majorly used by teachers. Google meets, Zoom meets, Google classroom etc., computers (laptops & desktops), mobile, internet/ email, etc., were commonly used for teaching as well as for Continuous Internal Assessments (CIA) of students and for university examinations. You tube videos were streamed to demonstrate experimental methodologies of practical courses. The 'whatsapp groups' of classes not only facilitated intimating important messages (with respect to online classes, Google links, time & other instructions) among class students but

attending the classes as well.

This familiarity of using ICT tools enabled frequent usage of the same by teaching fraternity in subsequent semesters. Study materials prepared by faculty members are uploaded in college website and as e-content in University website. These materials are useful not only to our students but students of other colleges as well. In addition to class room teaching each course is explained by PPTs prepared by our professors. All departments are provided with ICT enabled smart class rooms. Videos of important topics downloaded from Youtube and live videos are streamed in these class rooms. Supply of question papers, course notes / study materials were ICT enabled. Academic usage of email & participation in on- line seminars, conferences, workshops and webinars by students and faculty members were higher. In addition, students are encouraged to present their findings periodically by using ICT tools.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The UG and PG students of all programs are internally assessed by teachers for each of the theory and practical courses across each

semester continuously. Research scholars (M.Phil. & Ph.D) are also internally assessed during their Part I of the research duration. Undoubtedly, the internal assessments of various components (internal tests, model test, assignment writing, seminar classes, quiz classes, group discussions etc.) are transparent & frequent but, learner centric and strong. In particular, two internal tests (in addition to class tests by teachers) and a model examination are conducted; all the answer scripts are thoroughly evaluated and are distributed among the students with feedback. All students are allowed to go-through the evaluated answer script; any expectation for a revised score is again carefully considered by respective teachers and responded transparently. Similarly, assignments submitted by students are returned to them with a feedback and a score accordingly. As a fact, assessment of class quiz and group discussions of students could only be a transparent activity and no discrepancy is possible. As the affiliating Bharathidasan University has grouped all various activities of internal assessment under Continuous Internal Assessment (CIA), the assessments are frequent and go through- out semester. The mode of internal assessment of students is open & direct; the scores for each activity are presented to the knowledge and understanding of students along with their total/ final internal score in each of the theory and practical courses and the internal assessments are more transparent, consistent, straight and supportive.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal examination of students by teachers is 360° transparent, time-bound as well as more efficient as the evaluated answer scripts are provided to the best knowledge of students; they go-through script thoroughly and return; there is no secrecy and the process is open. Additionally, scheduling internal examination well in advance, providing important questions, availability of university question bank, department exam cell and its role, involvement of students in assignment writing and group discussion/quiz/seminar enable them to score good marks in internal assessments. Generally, the institution does not come across any

grievances from the students. However, any unprecedented grievances can be dealt strongly through proper channels - Head of the Department and the Principal and issues if any, can be redressed efficiently. Also, grievances redressing is time-bound as the internal examinations are scheduled during each semester for all theory and practical courses and any grievances should be concluded effectively well with- in the semester; there is no possibility that it can move beyond the semester.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Yes; programme and course outcomes of all programmes offered in the college are stated and displayed on website and communicated to teachers and students. The outcomes of various courses are made available round- the- year, in the affiliating Bharathidasan University, Tiruchirappalli website. In addition, every teacher who handles a course explains the objectives of the UG or PG program as well as outcomes of all courses. Further, consolidated outcomes of a program, program specific outcomes as well as the outcomes of all various courses are stated and displayed in institution's website for the benefit of students and stakeholders.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Yes; it is evaluated whether the programme and course outcomes of all programmes are attained by students. Every teacher who handles a course evaluates and checks whether the outcomes of the course go with the objectives of it based on an introspection of his/ her

class feedback from students. Precisely, feedbacks are received from students and staff members regarding the syllabus. Thus, the feedback of students would certainly be a testimony about the course outcomes.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

M.R. Government Arts College, Mannargudi - 614 001 has been serving

the region as a centre of higher education for about 50 years; innovations and every initiative as to create and transfer of knowledge for a human cause of imparting extended subject understanding have been the institution's integral activity. The program syllabi of the affiliating Bharathidasan University, Tiruchirappalli support the same to a good extent and the institution takes additional initiatives suitably. An encouraging academic ecosystem to all full-time teachers and the Continuous Internal Assessment (CIA) and University assessment of research scholars, UG & PG students provide a lot of liberty for innovations and initiatives. In particular,

1. Research scholars publish a minimum of two original research papers in indexed journals during their course of research work which is an avenue to create and transfer new knowledge. Monograph publication is another innovative activity of research scholars.
2. Oral and poster presentation of research papers by staff and research scholars in national/ international level seminars and conferences / workshop and students' participation in 'science events' or 'theme based events' in outside institutions/ universities pave a way for knowledge transfer in an innovative way.
3. Assignment preparation, quiz programs, group discussion by students are components where learners can display their innovations with unique ways of presenting their topics / views.
4. Research scholars and students seminar presentation is an avenue to knowledge transfer innovatively.
5. Book and research paper publication by teachers and course topics prepared and presented as posters by students etc.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The NCC, NSS, RRC & YRC etc. units, M.R. Government Arts College, Mananrgudi organized extension activities either independently or in collaboration with other [NGOs, community or government departments]. To commemorate the Salt Sathyagraha March during Indian Independence from Sabarmati Ashram to Dandi by Mahathma Gandhi, the Government of India organized an event of 'walking procession' from Sabarmathi Ashram, Gujarat to Dandi during the year; the event was commemorated in Tamil Nadu with a 'bicycling procession' from the Sathyagraha commemorative spot, Tiruchirappalli, Tamil Nadu to Vedharanyam, Tamil nadu. The students of NSS & NCC units of the college participated in the bicycling event; at first, welcomed & received the procession in Mannargudi, further proceeded up to the next spot as to hand over the procession there. Similarly, Dr. APJ Abdul Kalam, Former President of India Birth Day was celebrated as 'Youth progressive day' and as 'Global students' day'. The students were also demonstrated with residential cultivation practices of common vegetables and fruits. NSS and YRC units conducted 'Women's' Health' awareness program and underscored the need for caring especially at the time of COVID 19 pandemic. In particular, NCC cadets involved in cleaning regional water bodies, public parks, regional historical places, removal of plastics; sensitized the target people with the importance of personal hygiene, appropriate hand washing etc. Certainly, the student activities ensure a holistic development among them.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

M.R. Government Arts College situated in Mannargudi is the oldest higher educational institution serving the regional society and celebrates golden jubilee year of academic service. The institution possesses adequate levels of infrastructure and physical facilities such as classrooms, laboratories, computing equipments and others for teaching, learning and research.

Classrooms & Laboratories: As on 2021- 2022, 66 classrooms and 14 laboratories (5 Bioscience; 8 Science & 1 Language) scattering in 7 buildings (main building, science, Tamil, History, Commerce, Dr. MGR centenary celebrations and RUSA buildings) are adequately used for theory and practical sessions of students belonging to 12 various programs & by research scholars (M.Phil. & Ph.D.) of 10 programs. In addition, a stand- alone laboratory is used to offer the certificate program 'Computer Literacy Program' (CLP). All the classrooms and laboratories are amply ventilated; additionally provided with electric lights and fans. As much as, 13,000 square metre of the college campus is allocated for the above physical infrastructure facilities. Departments are also provided with a 'smart classroom' which includes LCD projector, AC and other paraphernalia as to enable ICT based classes.

Computing equipments: Students pursuing computer science are provided with two separate laboratories with computers and other essential equipments. Also, the CLP laboratory holds enough numbers of computers; utilized by all non- computer science under graduate students for the certificate program.

All the departments are given with a computer and connected with internet facilities as to favor various academic activities related to teaching, learning, research and administration.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Cultural activities: Kamban arrangam and Thiruvalluvar auditorium are two venues where student cultural events are organized by departments and various units. The fine arts wing of the college organizes competitive cultural activities during national and international commemorative days; NCC organizes patriotism centric cultural programs during Independence day and Republic day celebrations and annual cultural programs are held during 'College day' / 'Annual day' celebrations by the college. Kamban arrangam is equipped with audio and LCD facilities while Thiruvalluvar auditorium is with audio facilities including other comforts like fan and light.

Sports & games: Two play grounds of the college facilitate large area (120 meters width 100 meters length) games and small area games (80 meters width 50 meters length). Games like cricket, football, athletics etc. are arranged in the former ground and the later hosts kho- kho, kabhadi, volley ball etc. A separate room is used for chess and carrom board playing.

Yoga: Thiruvalluvar auditorium is used for yoga practices. Meetings are convened during international yoga day celebrations in one of the halls; participants are inducted with regard to basic yoga practices, asanas, pranayama etc.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

IT facilities of the college updated during 2020- 2021 was also

continued during 2021- 2022 both in terms of internet connectivity as well as by procuring computers. In addition, Google suite / G suite workspace/ Google workspace apps were also brought-in as to execute teaching, learning and evaluation activities during the academic year as the year witnessed long duration lockdowns due to SARS- CoV2 caused COVID 19. In particular, copper connection based internet connectivity of the campus got upgraded to Bharath Fibre net which ensured a high speed of internet connectivity. Similarly, wi-fi facility provided by the Reliance group at free of cost facilitated wi-fi access (1 mbps/ day) to students of the campus. The Google suite apps with a total of 150 mpbs enabled offering online classes during COVID 19, recording of online classes, conducting webinars, virtual seminars/ conferences, Ph.D. synopsis presentation and Ph.D. viva- voce, M.Phil. viva- voce, PG students project viva- voce, organizing administrative meeting etc. Conclusively, upgrading with the real- time IT facilities, the college could function and also checked that its academic responsibilities are delivered even the entire globe was struck by the COVID 19 pandemic.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Laboratory: All the program curricula except Tamil and History curricula have laboratory courses.

Mathematics, Commerce and Business Administration do not possess a department laboratory facility and hence utilize the computer science laboratory to conduct computer practical courses. Similarly, allied/ ancillary laboratory courses are also conducted without any inadequacy. Overall, a consensus laboratory time- table is followed. The departments with practical courses and with exclusive laboratory maintain and utilize their respective laboratory by procuring essential articles/ items for each practical course using state/ central government provided funds. At first, the total funds are distributed to individual departments during every academic year, articles are purchased based on requirements; the materials are received from the enterprises, checked and the details of all the materials / articles are entered in registers and a stock is maintained.

As per laboratory time- table, students log-in to the laboratory, requirements of an experiment are supplied and the laboratory stock is updated after utilization. In computer laboratory, system with a number is allocated to each student and its utilization is followed-up. Laboratory technicians / computer programmer play a vital role both in maintaining as well as utilizing the laboratory facilities

by students / research scholars.

Public Works Department (PWD): The PWD is vested with the overall physical maintenance of the institution. Any re-pair / maintenance of laboratory buildings (including sports facilities, staff room and students' class rooms) and their water supplies are taken care by the PWD based on a requisition submitted by the Principal.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students from all programs are engaged both in co & extracurricular activities. Similarly, appropriate numbers of students are vested with administrative responsibilities. In particular, academically productive and dynamic learners of literature, humanities, science and commerce/ management are represented as members of the Internal Quality Assurance Cell (IQAC) committee either as alumni representative or as current students' representative or both. Students would also coordinate alumni meetings whenever organized by the department. Department Association meetings, seminars/ workshops organized by the departments are also the places where the students engagement is comfortably facilitated.

Further, as a part of the curricula, UG students are engaged with various co- curricular activities organized by NSS, NCC, RRC, YRC etc. Further, students' participation in extracurricular activities of physical education wing and various cultural activities of 'fine arts' wing of the college are allowed. Students participation in both in-campus and out- campus sports and games events are permitted and supported by the college; either an in- charge teaching staff of physical education or the Physical Education Director would facilitate such participations. Likewise, the staff coordinator of 'Fine arts' wing or the departments would facilitate participations of students in various cultural activities. Students accompanied by

a teaching staff are encouraged to participate and perform in seminars, workshops or conferences, or inter- collegiate subject events of regional or national levels.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The college council in its meeting held on 31st January 2014 resolved to recognize and establish Old Students Association (OSA) and all the out- going UG & PG students of all programs shall be enrolled as its alumna/ alumnus. In this context, the alumni association / OSA of the college has been functional in the college from the academic year 2013-14 and all the outgoing final years students are its members.

It was also resolved that any fund accrued under the OSA shall be

spent towards the procurement of non-recurring items / immovable properties - student/ staff furniture, creating safe drinking water facilities etc. (upto to a maximum of 60% of the total fund available) for the college every year, a portion of the fund shall also be utilized for awarding the student achievers in the form prizes during college functions.

OSA meeting is organized at the respective departments; alumni/ graduates would update their profiles (with status of employment, current address, email ID, phone numbers etc.) on the day of the meeting and provide a feed- back with respect to their curricula (on syllabus with respect to new contents in the syllabi or nature of revisions/ updations required as to suit the current need/ trend etc.) and are passed-on to the members of the BOS. Their other views pertaining to curricular, co & extracurricular activities are also noted on the day of the event. A healthy network is established among the members of OSA and with the department.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Yes; M.R. Government Arts College, Mannargudi governs its academic activities in tune with its vision and mission.

While providing quality higher education to students of rural and economically weaker sections of the society and thereby to make them participants in the nation building endeavour is its vision, the

students admission 2021- 2022 of the college is a clear reflective of it that a majority of the student enrolments' represented rural as well as economically poor sections of the region.

Similarly, a qualitative education is practiced across every academic year [through class room teaching and laboratory/ filed level coaching, exposing them to real- time advancements with special lectures, seminars/ workshop participations, etc., emphasizing a holistic performance in examinations, by widening placement opportunities year- after- year etc.,] as to bring-in social awareness and rational thinking and thus to instil social responsibility with strength to face the competitive world.

Though the 2021- 2022 academic year was an unprecedented challenge due to COVID 19 pandemic and lockdowns, online theory classes were effectively conducted on-a-par with regular mode of imparting education; practical classes were also scheduled soon after the reopening of the college due to the second-wave of COVID 19 pandemic & lockdown; hands-on laboratory practices were ensured. Through exclusivemeetings, awareness of COVID 19 pandemic, rational thinking so as to attend the classes with responsibility and with strength were ensured. The various activities of the college reflected as well as were in tune with the institution's vision and mission.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization

The curricular and co/ extracurricular activities of the college are effectively decentralized for a better governance and performance. All departments and units (NSS/ NCC/ YRC/ RRC etc.) have the requisite authority to ensure operational autonomy but in accordance with guidelines of the affiliating University and with the approval of the Principal. HOD is delegated with department level authority.

Students' scholarships & others: The BC, MBC, SC & ST scholarship applications forwarded by the departments are being decentralized

for scrutinization and authorization; HODs/ senior staff members are appointed as in-charge/s by the Principal. Supply of students' bonafide certificates, bus pass, issuing identity cards etc. is also managed by decentralization.

Conducting semester examinations: In association with non-teaching staff of the college, a senior teacher from a department is deputed as the in-charge of the affiliating Bharathidasan University semester examinations and thus enables a wider participative management.

Computer Literacy Programme (CLP): It is a separate program offered to provide a basic computer literacy and a regular staff coordinates in conducting the program.

Participative management

College council: The 'College Council' constituting the Principal and all the HODs resolves matters of academic relevance/ decisions; as well as attends issues, if any. Staff, HODs and the principal facilitate an effective participative management. Anti ragging, inquiry, students' grievances redressal committees, women's cell etc. constitute staff as co-ordinators / members and leads to participative management. Staff and students' participated campus maintenance also is a fruit of participative management.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

M.R. Government Arts College, Mannargudi deploys every academic plan effectively without any deviation / discrepancy.

Generally, strategic plans are sketched and effectively deployed with respect to the following:

College calendar/ students calendar - A well planned college calendar is prepared and distributed at beginning of every academic year

Students' admission as sought by the Department of Higher Education and the affiliating Bharathidasan University, Tiruchirappalli - Ascholarly admission committee meticulously looks- after students' admission every academic year.

Conducting theory/ practical classes - A course plan, faultless time table etc. are prepared and employed.

Continuous Internal Assessment (CIA) of students without prejudice & as per the guidelines of the affiliating University - All assessments are done with complete transparency

Project & field work by students - Students are assigned with staff guides for project and field work,

Encouraging students participation in sports and cultural events of all levels through proper means,

Students' active participation in co- curricular and extra-curricular activities assisted by staff coordinators,

Scheduling exams of Continuous Internal Assessments (CIA) - Schedule is informed to students suitably to enable preparation,

Conducting university examinations etc.- Course notes, books etc. as required by the students are provided to support their preparation.

Every academic plan of the college has been student- centric; institution plans and deploys such that as to benefit the students effectively.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

All the institutional bodies of academic and administrative activities are headed by the Principal of the institution. In addition, the College Council and the Principal as the President,

serves as the authorized body and governs the academic cum administrative activities of all the departments and units of the college as directed by the Directorate of Collegiate Education, under the aegis of the Department of Higher Education, Government of Tamil Nadu and the affiliating Bharathidasan University, Tiruchirappalli. Twelve under graduate and ten post graduate programs are offered and administrated by respective departments with a team of the Head of the Department and members of staff, in addition to the Head of the Institution/ Principal. Among the departments, 10 are affiliating University recognized research departments; offer M.Phil. and Ph.D. programs in their respective disciplines; such research programs are overseen by the respective Department Research Committee (DRC) comprising, HOD, two senior staff turned research guides and the Principal. College Research Committee (CRC) looks- after the research programs across the institution. Other institutional bodies like Sports wing, NCC, NSS, RRC, YRC, Consumer forum, Placement cell, Career Guidance Cell and others are coordinated by a regular staff and the Principal. Policies of the government are obviously the policies of the institution; any administrative setup is generally defined by the government in addition to staff appointment and their service rules along with any associated procedures.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

All the regular teaching staff members appraised by 360 degree performance appraisal system in particular during their career advancements. It includes the following:

1. **Administrative Activities:** Staff members role as HOD, class tutor, member of committees, coordinator, in Board of Studies etc., are taken for appraisal.
2. **Examination and evaluation duties:** Invigilation duty during internal exams and university exams, examinership/ answer scripts evaluation, chairman of UG / PG evaluations, research students (M.Phil. & Ph.D.) external evaluation etc.,
3. **Student-related co-curricular, extension and field-based activities:** Membership of students career guidance, role as a mentor, student counselling, teaching certificate courses, coordinating students field works/ visits, member/ coordinatorship of students co/ extra- curricular activities etc. are subjected to appraisal.
4. **Organising seminars, conferences, workshop:** Submission of proposals to granting institutions to organize sponsored seminars/ conferences/ workshops etc.
5. **Guidance and Supervsion (MPhil and PhD Programmes):** M.Phil. & Ph.D. guidance and supervision, PG projects guidance are appraised.
6. **Engagement in minor or major research projects:** Submission of research proposals to sponsoring institutions, successful implementation of sponsored research projects are considered for performance appraised.
7. **Publication of research articles in peer-reviewed or UGC-CARE listed journals are appraised.**

Non- teaching staff should maintain a personal register; the details of the work done are to be entered in the register on day-to-day basis and the same is scrutinized and appraised by the Bursar / Principal every month. Similarly, promotion communication of non-teaching staff is endorsed/ appraised by the Principal.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

As a government college, the institution's major academic expenses of staff salary, laboratory & library expenses, physical infrastructure maintenance costs etc. are cared by the Government of Tamil Nadu. Similarly, funds also provided by the Government of India through UGC or schemes like RUSA or others. However, the college is to generate/ mobilize funds as well as find fund utilization resources as to manage the total academic expenditure/ affair regularly. The following are some of the funds mobilization / utilization resources:

1. Parents -Teachers Association (PTA) fund
2. Old Students Association (OSA) fund
3. Research fund
4. Computer Literacy Program (CLP) fund
5. Sponsored research projects

Funds received (items 1 & 2) from students are primarily utilized to pay a few temporary but, full time teachers, laboratory assistants, office and menial staff, night security, to purchase machineries' for college office, to compensate expenses etc. in addition to the actual purpose. Research fund from M.Phil./ Ph.D. research scholars' fees is utilized for research department laboratory facility up-gradation, books purchase, journals/ magazines etc. Funds of items no. 1 through 3 utilized after an approval of the members of the college council and the respective committee. Any residual fund of CLP is utilized to procure computers, computer accessories etc. after permission from the Directorate of Collegiate Education. Grants from UGC, TNSCST, TANSCH, DBT, etc., sponsored research projects are spent for the research work which in parallel improves

the facilities of the department where the project is implemented.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. IQAC inaugurated the Golden Jubilee Year Celebrations of College Inception and organized alumni meeting on 13.08.2021.
2. IQAC continued to coordinate curricular planning and their effective practice among teachers of all the departments
3. A meeting of criterion- wise coordinators of NAAC cycle 3 assessment and accreditation was convened on 07.09.2021 with an agenda of expediting the process of all preparations.
4. Staff induction of NAAC provisional accreditation cum NAAC cycle 3 assessment work progress review meeting was organized by the IQAC on 1st April 2022.
5. A meeting of staff and students with Thiru Dr. TRB Raja, Member of Legislative Assembly, Mannargudi was coordinated by the IQAC on 04.04.2022.
6. Continual of receiving feedback with respect to the design of curricula and library user satisfaction from department staff, students & alumni and their assessment was ensured by the IQAC.
7. IQAC organized NAAC- SSR orientation meetings with respect to criteria I & II on 08.04.2022 and 26.04.2022 respectively.
8. NAAC cycle 3 assessment and accreditation work review cum staff induction meeting was organized on 12.05.2022 by the IQAC.
9. IQAC continued assisting all departments as to organize online events like webinars, quiz, virtual seminars etc., to submit research proposals to granting institutions, to publish research papers as well as inducted participation of staff and research scholars in seminars/ workshops.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC conducts a Students' Satisfaction Survey (SSS) every year as to understand the overall performance of the departments/ institution with respect to teaching- learning process, curriculum delivery, internal assessments & evaluation, university examination & its outcomes etc., In addition, students and alumni feedback are received as to analyze students views of their respective syllabi / library and to bring-in any need- based steps, if required. The process is strengthened further year-after-year as to review the teaching- learning process, its status, and overall learning outcomes among the learners of the campus. During the academic year, the teaching & learning processes, its methodology had to undergo a major shift from conventional classes to online mode due to COVID 19 pandemic turned lockdowns; the college administration took appropriate steps as to encourage teachers as well as students' community to accustom to online modes of effective teaching and good learning appropriately.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

To promote gender equity, suitable measures are in place at M.R. Government Arts College, Mannargudi and are accordingly followed. The gender equity measures which are in practice / initiated in 2021- 2022 are enumerated as under:

Students admission: Seats are earmarked exclusively for physically challenged and minority students.

Enhanced students scholarship: Scheduled castes (SC) and scheduled tribes (ST) students; physically challenged Backward (BC) and Most backward (MBC) class students are given more amount of money as scholarship compared to others. This also includes SC/ ST fellowship, minority and Tamil medium scholarships in addition to several others.

Program curricula and gender equity: Women's Right, women empowerment, the pride of womanhood, concepts of gender, areas of gender discrimination, gender equality etc., are imparted through courses like value education and gender studies.

Women's cell: The women's cell of the college comprises experienced women staff as its members; it safeguards the professional and domestic needs of the women staff as well as girl students with awareness programs related to health & hygiene; counseling whenever required; inquiring for justice of sexual harassment, inequality etc. cases. International women's day was celebrated as to encourage women staff and girls students.

Napkin distribution: Free napkins are kept in machines and economically disadvantaged female students shall avail the facility.

Girls' waiting hall: Built- in rooms with drinking water & rest room facilities are put up which benefit needy girls' students for resting if they are unwell, for dress changing etc

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management and Liquid waste management

A pit (with 2 m deep x 1.5 m width) is being used to manage wastes generated from Microbiology and Zoology laboratories. The wastes of practical experiments such as used cotton, tissue paper & lab trash paper, decontaminated solidified or liquid culture media wastes, used specimens from zoology laboratory etc. are discarded by the students and research scholars in tubs/ dust bins kept at the laboratories; are taken and dumped in the stand- alone pit safely by

laboratory assistants and left for natural decomposition. Safe burning / incineration also done at the end of every week. The common wastes from all other places of the campus like class rooms, verandas are dumped at a specified place; either allowed for natural decomposition or burnt watchfully.

Liquid wastes of glass- ware washing & from others sources are let in to a mini but specified pits.

Plastic wastes if any, are collected by the NCC cadets & NSS students; handed over to the Mannargudi Municipality for a safe disposal / recycling.

In general, safe and eco-friendly waste disposal is ensured; immediate environment is protected

Hazardous chemicals and radioactive waste management

Though hazardous chemical are not used either in chemistry laboratory or in any other laboratories, the used chemical solutions are let in toa small stand- alone pits.

E-waste management: The Department of Computer Science takes care of E- waste management as sought by the Department of Higher Education and the Tamil Nadu Pollution Control Board, Government of Tamil Nadu.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

M.R. Government Arts College, Mannargudi indeed ensures in providing an inclusive academic environment that benefits all stakeholders (students, research scholars, teaching and non-teaching staff, affiliating university, alumni, immediate outside society of the region etc.) of the college who represent a spectrum of life

background. Appropriate efforts and initiations are always taken so as to ensure tolerance and harmony among the diverse group. As and when directed by the Department of Higher Education, Government of Tamil Nadu, an oath taking event is scheduled strictly and taken aptly among staff & students of all programs with respect to communal, socio-economic, cultural, regional & linguistic features; this act is observed to be permeating a morality among the participants and yields real-time outcomes towards overall tolerance and harmony. Similarly, every year, one of the popular regional festivals - Pongal is celebrated by all the departments; participant staff & students obviously belong to a diverse group and it's a fact in supplementing the institution's effort in educating cultural tolerance and harmony. Further, celebration of national and international commemorative days in the campus has its natural role towards tolerance and harmony. In addition, during seminars/conferences organized at regional or national level or any mini event at a single class room level, Prayer (Tamilthai Vazhthu) and the national anthem are sung; such a schedule connects every one of the participants beyond any kind of diversity.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Students, as the citizen of India, are sensitized about their constitutional obligations like values, rights, duties and responsibilities through their respective curriculum & extensional activities. The course 'value education' elaborates the philosophy of life & social values and human rights & organizations; while the former set sensitizes values of human life, the later topics instills the political, civil, social, cultural etc., rights of Indian citizens. Likewise, roles of an individual in preventing pollution and in conserving our natural resources are underscored and thus sensitized in the course 'Environmental studies'; the course also brings out the values of biodiversity; by signifying example chapters on values, roles/ responsibilities, students are sensitized with the constitutional obligations/ duties. As a compulsory part of all the undergraduate curricula, the 'Extension activities' of the students in the form of creating various

awareness activities, sanitizing a common place, planting & rehabilitation of an ecosystem, assisting a public system in implementing its scheme etc. through NCC, NSS, RRC, YRC etc. sensitize them remarkably with respect to their constitutional obligations.

Similarly, college celebrates national and international commemorative days such as Teacher's day, Women's day, Yoga day, Science day etc., and such forums obviously continue to insist and thus sensitize members of staff on constitutional values, rights, duties & responsibilities as employees of the college.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

M.R. Government Arts College, Mannargudi celebrates traditional, regional and seasonal festivals like Pongal and Pooja and organizes meetings commemorating the days of national and international importance in the campus. While Pongal festival and Pooja are celebrated by individual departments separately, the commemorative day events such as Independence day and Republic Day organized by the NCC is usually celebrated with a lot of real-time patriotism and dedication including national flag hoisting by the Principal and an impressive parade by the cadets of the NCC; International Women's day, International Yoga day, National science day, Teacher's day etc. are either organized by the college or by the IQAC or by one of the units (NCC, NSS, RRC etc.) of the college. Festival celebrations are permitted as ventures of effective but cordial socialization, cultural & regional sustenance among students as well as for a pleasant academic relationship among students and staff. Memorial meetings of national and international days ensure insistence of day's significance, fervour, a strong feeling of commitment, and rejuvenate the participants with respect to their role and participation in nation building. Obviously, the celebrations strongly infuse an everlastingly encouragement among staff and students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1

1. Title of the best practice

Green and salubrious campus maintenance

2. Aim of the practice

To ensure continuous planting of various plant saplings and to provide a very healthy learning environment.

3. The principle & context

In the modern era, a large number of trees are cut down leading to global warming. In view of this, the college maintains a green and salubrious campus.

4.The practice

The NSS and the NCC units practice as well as coordinate planting of saplings and their maintenance periodically.

5. Outcome of the event

The 43 acres college campus is salubrious even during severe summer days.

6. Problems encountered

Some of the regions with more number of trees turn out to be bushy and the saplings perish, if pruning or proper sheltering missed.

7. Facilities/ resources needed

Tree sampling guards, shredder and garden pruning tools

Best Practice 2

1. Title of the best practice

Students Welfare Committee

2. Aim of the practice

To help those students who are in- need as to tide over financial shortages.

3. The principle & context

To ensure that students academic activities not disturbed due to little financial crisis.

4. The practice

A staff committee accepts small financial contributions from volunteering staff and provides the same to needy students for a meal, medical expenses, exam fee etc.

5. Outcome of the event

Students who are in dire need benefitted.

6. Problems encountered

Identifying deserving students as to confirm whether the needs are factual.

7. Facilities/ resources needed

Maintaining capital money as to meet the demands round the year.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Vision: To provide quality higher education to students of the rural and economically weaker sections of the region and thereby to make them participants in the nation building endeavour.

In discharging the responsibility, M.R. Government Arts College, Mannargudi has been striving to bring- out graduates with quality, real- time social awareness & responsibility as such a trained & vigilant man power would certainly fetch with the expectations of an employer as well as with the needs of the present competitive world. In this context, the institution's act of transfusing a quality higher education among the neediest wards of the region obviously noted to uplift the living status of such families and thus contributes towards the nation building endeavour

Significantly, the institution is distinctive behind the backdrop of admitting and educating wards who are majorly the first generation graduates of their respective families and their parents are mostly daily wagers, agricultural daily wagers or small/ micro farmers with marginal economic resources. Further, enrolment to higher education

is encouraged with no admission fee or annual fee, very judicious but thin expenditure to the wards during the study duration of their programme, facilitating job prospects / placements in private sectors or government services as to check that the out- going graduates of the institution are not only unique but, contribute to India's upliftment as well.

7.3.2 - Plan of action for the next academic year

For more than half-a- century, M.R. Government Arts College, Mannargudi, Thiruvavur District, Tamil Nadu has been serving socio-economically backward regional students. The Internal Quality Assurance Cell (IQAC) of the college strives that the academic activities of the institution is strongly learners' centric. Accordingly, the IQAC has drafted the below given academic plans with higher bench- marking for 2022- 2023 academic year:

To effectuate curricular delivery of teaching staff and to improve pass percentage of students

To continue remedial classes process, if needed.

To impart new subject developments by organizing seminars, workshops, special lecture.

To coordinate effective implementation of new career- centric academic activities of the college.

To coordinate Parents & Teachers' Association (PTA) and Old Students Association meetings

To coordinate submission of research project proposals for grant from institutions.

To insist and support beneficial MoUs activities between institutes.

To enhance original research articles' publications in indexed journals.

To underscore seminars, conferences, workshops participation and

presentation of research papers by staff.

To check that extension activities of students through NSS, NCC, RRC, Youth Red Cross etc., are catalysed.

To utilize all academic opportunities to bring out or to improve learners' talents with respect to sports & games and cultural activities.

To strongly underscore importance of smart preparation for competitive examinations.

To utilize every opportunity so as to guarantee in- campus and out-campus placement

To offer certificate courses as a mean of supporting skill enhancement and career opportunities of graduates.
