

44th Annual Conference of Indian Association of Biomedical Scientists (IABMS)

&

National Conference

on

Post COVID 19 Pandemic Era – Clinical and Translational Research (NCPCPE - CTR)

8th, 9th and 10th January, 2024

Pre-conference workshop on methods of preparing research proposals and writing research articles

8th January 2024

SECOND CIRCULAR

Venue

M. R. Government Arts College, Mannargudi – 614 001, Thiruvapur Dist., Tamil Nadu, India

Organized by the

Department of Microbiology, M. R. Government Arts College, Mannargudi – 614 001,
Thiruvapur Dist., Tamil Nadu, India

CHIEF PATRON

Dr. D. Rajendran, Principal

Convener

Dr. K. Panneer Selvam
Assistant Professor and Head
Department of Microbiology

Organizing Secretary

Dr. S. Rajan
Assistant Professor
Department of Microbiology

Co-organizing Secretary

Dr. B. Anandaraj
Assistant Professor
Department of Microbiology

About the Conference

It is a great pleasure to announce that M. R. Government Arts College, Mannargudi, Tamil Nadu is organizing the 44th Annual Conference of the Indian Association of Biomedical Scientists (IABMS), from 8th to 10th January 2024. The theme of the conference is "*Post COVID 19 Pandemic Era – Clinical and Translational Research*". The event also includes a pre-conference workshop on '*Methods of preparing research proposals and writing research articles*'. On behalf of the organizing committee, we extend a warm and cordial invitation to all the members of the association and others interested in the theme of the conference, for active participation. The prime goal of this conference is to provide a common platform for students, research scholars, academicians and industry professionals to share and discuss the real-time advances in the field of biomedical and health science. We are confident that this conference will be a road map to initiate partnerships across different disciplines, institutions and countries in order to spearhead cutting edge research in biomedical sciences aimed at significant breakthroughs in the field of diagnostics and therapeutics. The conference is particularly relevant for scientists and clinicians, postgraduate students, doctoral students and postdocs, biotech and pharma industry professionals, allied health & public health professionals and policy makers, professionals from regulatory agencies as well as from the fields of dental, pharmacy, nursing and physiotherapy.

About the Indian Association of Biomedical Scientists (IABMS)

IABMS was formed in the year 1979, with Head Office at Dr. A.L.M. Postgraduate Institute of Basic Medical Sciences, University of Madras, Taramani Campus, Chennai. The acclaimed neuro surgeon, Prof. Dr. B. Ramamurthy was the first President, and Prof. Dr. S. Sarada Subramanyam, a renowned physiologist was the first General Secretary of IABMS. IABMS is a pan-Indian organization; has grown enormously in the last five decades currently with 1500 life members. The association recognizes outstanding contributions of individuals in the field of science and has several established awards given during their annual conference. IABMS has an official organ of journal publication of scientific papers related to biomedical research and the journal is 'BIOMEDICINE'.

About the Organizers – M. R. Government Arts College, Mannargudi

The Government of Tamil Nadu established Mannai Rajagopalasamy Government Arts College - M.R. Government Arts College in Mannargudi, Thiruvarur District of Tamil Nadu in the academic year 1971-1972 and is affiliated to the Bharathidasan University, Tiruchirappalli. With twelve Undergraduate and ten Postgraduate programmes covering Science, Humanities, Commerce and Management disciplines, 9 departments are approved as research centres; have been taking up the colossal task of advanced research guidance (both M.Phil. & Ph.D.). Students are imparted with employment linked skill development courses through Rashtriya Uchchatar Shiksha Abhiyan (RUSA) vocational courses & Naan Mudhalvan Scheme, Government of Tamil Nadu career-oriented courses. Departments have been implementing research projects funded by different state/ central Government granting institutions. The college strives to link higher education and upcoming/advanced research with the most deprived learners of the region through organizing seminars, conferences, workshops etc. It is a NAAC accredited institution and has currently been actively preparing itself for NAAC assessment through cycle 3. The grants under RUSA, Government of India, through the schemes of Government of Tamilnadu, research projects, old student's association etc. have taken the academic facilities of the college to the level forward.

About the Department

The Department of Microbiology offering B.Sc., Microbiology was commenced during the academic year 2003-2004, elevated as a research centre in 2012-13 and as a PG & Research Department of Microbiology in 2017-2018. In the campus, the Department of Microbiology keeps itself as a very active academic unit and consciously student centric. As a research department, it has been striving to bring-in independency by imparting entrepreneurial skills and more importantly, employability to each one of its young microbiology graduates and the research scholars. It is obvious that such tasks demands a lot of care, effort and volunteering commitment blended with need-based regular learner-centric as well as employer-centric activities from the department. Thus, the department has been vigilant as to cater to the outside curricula – needs of its learners through relevant exposure to latest frontiers of bioscience in the form of special field visits / class room interactions, guest lectures, conferences, seminars and hands-on sessions/ workshops. Face-to-face interactions are regularly organized with eminent resource persons/field experts from all quarters. The fabulous staff members of the department are committed to up-gradation, quality improvement and student guidance and are actively engaged in teaching, learning, evaluation and in advanced research activities.

The department has implemented minor and major research projects supported by the University Grants Commission (UGC), Tamil Nadu State Council for Science and Technology (TNSCST), Tamil Nadu State Council for Higher Education (TANSCHHE) and the Department of Biotechnology (DBT). During the immediate previous year, a TANSCHHE minor research project was successfully completed and currently a research proposal is in pipe-line. The department is strongly optimistic that every element of its multifaceted academic cum research activities both at department as well as at the entire campus level would benefit not only students of the institution, but the learners / young researchers of the region as well. Several Ph.D. and M.Phil. research scholars of the department have been awarded by the affiliating Bharathidasan University, Tiruchirappalli. Besides, the faculty members of the department either shouldered or presently been shouldering various academic activities of the college from NAAC to IQAC, RUSA, NCC, UGC, etc. The department has already organized seminars, conferences and lecture workshops, workshops etc., sponsored by the University Grants Commission (UGC), Tamil Nadu State Council for Science (TNSCST), Tamil Nadu State Council for Higher Education (TANSCHHE), the Indian Council of Medical Research (ICMR); by the Indian Academy of Sciences, Bangalore, Indian Science Academy, New Delhi, & The National Academy of Sciences, India, Allahabad, and by the Department of Biotechnology (DBT) successfully.

AWARDS AND PRIZES OF IABMS 2023

IABMS has instituted various prizes under different categories. Those who would like to apply for the following awards must be an annual or life member of the association. All the papers must be accompanied by a duly filled-in declaration form (Format is enclosed). The manuscripts for the prize papers should be in Microsoft format (Times new roman, font size 12) and submitted (soft and hard copies) to "The General Secretary IABMS, Y Block No 57, 8th Street, Anna Nagar, Chennai - 600040 on or before 15th November 2023.

LIST OF AWARDS AND PRIZES - INSTITUTED BY IABMS*

1. M. K. NAMBIAR MEMORIAL ORATION AWARD- for an eminent scientist. This award is to be given to an outstanding scientist in Medical and Allied fields in a year and to a scientist of another faculty in the succeeding year. The executive committee will select the awardee each year.

2. Dr. E. BALAKRISHNAN MEMORIAL AWARD - the best research paper in ophthalmology for scientists below the age of 45 Years.

3. Mrs. THANGAM VASUDEVAN AWARD - for the best research paper in any aspect of Biomedical Sciences, for Scientists below the age of 45 years.

4. INDRA VASUDEVAN AWARD - for the best research paper on Prevention/Cure or any other aspect of Cancer. If no paper is available on cancer, it is left to the discretion of the committee to give the award to any other good research paper. Upper age limit is 45 years.

5. SIRI RESEARCH AWARD - for the best paper on any aspect of stress. Upper age limit for this prize is 45 years.

6. Dr. YELLAPRAGADA SUBBAROW MEMORIAL AWARD - for the best paper published in 'Biomedicine' during the previous one year. The selection will be made by the nominee of the donor. Hence, no separate entry for this prize need to be submitted.

7. THE PGIBMS AWARD - for the best oral-presentation of an original paper in any field of Biomedicine in the PGIBMS award session by a full time PG Student/Research scholar. The paper must be accompanied by a certificate from the Head of the Department to establish the bonafideness of the contestant. Papers submitted by regular teaching faculty of a department and those above the age of 35 years are not eligible for this award. No paper will be accepted for PGIBMS award session if submitted at the venue of the conference.

8. PROF. N. PADMANABHAN MEMORIAL AWARD for the best paper in physiology comprising the work carried out in any departments of physiology by a postgraduate student of physiology.

9. Dr. P. S. LALITHA AWARD - for the best research paper by a professional undergraduate, who may be an undergraduate of veterinary or any other professional course excluding medicine. The research paper must contain the student's original work and the student should be the first author. Review articles will not be considered for this award. In any year, if there are many eligible candidates, two of them will be selected for the award by a selection panel, appointed by the Executive Committee of IABMS.

10. Dr. LEELA KRISHNAMURTI MEMORIAL AWARD - for the best paper by any medical undergraduate. Papers submitted will be evaluated by a peer group for short-listing a minimum of three contestants for presentation at the annual conference. The selected three candidates will be adjudged at the annual conference by a panel of judges appointed among the experts attending the conference and two prizes will be awarded.

11. Dr. BRAMMAIAH SASTRI MEMORIAL AWARD - for Biomedical Scientists of eminence with proven academic and research contribution with not less than 25 years of professional standing. Eligible persons are to be nominated by a life member of IABMS/Peer Academicians. Self- Nominations will not be entertained. The nominations are to be made on

a plain paper with full address and designation of the proposer and the nominee. The proposal should have the consent letter of the nominee and his/her full biodata and overall contribution made by him/her. The nominations will be scrutinized by the Executive Committee / Subcommittee and the final decision will be taken by the Executive Committee. The selected scientist for this award will receive a Medal and a Scroll. If no nomination is received in a particular year, the Executive Committee can itself spell out a suitable person for the award.

12. AGATHIYAR AWARD - The award will be given to the best research paper in any branch of indigenous medicine such as Ayurveda, Unani and Siddha except homeopathy.

13. Dr. C. R. KRISHNAMURTHY MEMORIAL AWARD- This award is for a biomedical scientist of eminence in the field of Environmental Toxicology / Environmental Biology with proven academic and research contribution and with not less than 25 years of professional standing. Eligible persons are to be nominated by a life member of IABMS/Peer academicians. Nomination should be accompanied by consent letter and the bio- data of the nominee.

14. Mr. V. V. SWAMINATHAN DIAMOND JUBILEE RESEARCH ENDOWMENT AWARD - This award will be given to an eminent scientist who has done an outstanding contribution in the scientific evaluation of medical properties of plants. The eligibility for the award will be a minimum period of 20 years of research-cum-teaching experience in the evaluation of medicinal plants for their therapeutic use. Eligible persons are to be nominated by two life members of IABMS/ academicians. Nomination should be accompanied by a consent letter and bio-data of the nominee.

15. Dr. A. NAMASIVAYAM AWARD - This award is exclusively meant for mid-level scientist (above 40 years) for their original work done in the respective speciality in Indian basic medical sciences. An expert committee formed by the donor department namely "Department of Physiology, PGIBMS will evaluate the received papers and the decision of the committee is final.

16. Dr. M. S. KRISHNAMOORTHY AWARD - The award will be given to a scientist (no limit in age) who has contributed original research output to develop a new research methodology in the discipline of Pharmacology and Environmental toxicology. An expert committee consisting of Pharmacologists and Toxicologists nominated by executive committee will select the awardee.

17. PROF. SUNDARAM SUBRAMANIAM ORATION AWARD- The award is exclusively meant for an eminent scientist above 50 years of age in any branch of medical sciences who is a life member of IABMS. A peer committee constituted by the executive committee of IABMS in consultation with the donor will select the awardee.

18. PROF. S.P. THYAGARAJAN - PROF. S. RAJARAJAN ENDOWMENT AWARD

19. JAYA GROUP OF INSTITUTIONS AWARD

Note: Awards No. 2, 3, 4 & 5 are based on original work conducted preferably in India and it should not have been published or considered for publication in any journal at the time of submitting it for IABMS awards.

AWARDS FOR YOUNG RESEARCHERS

Awards for the best poster and oral presentations will be given to the young researchers as per IABMS guidelines.

NOMINATIONS FOR THE TITLE OF FIABMS

Only the life members of IABMS are eligible for the award of the title of FIABMS. The process for application involves sending an application to the General Secretary, IABMS.

*Only annual or life members are eligible to apply for these awards. The details on how to become a member of IABMS are available at <https://iabms.in/membership/>

ABOUT THE CONFERENCE

The national conference envisages a common platform for students, research scholars, academicians and industry professionals not only to share and discuss the recent advances in the field of biomedical and health science but also to bring out a direction to initiate partnerships in order to spearhead cutting edge research in biomedical sciences aimed at significant breakthroughs in the field of diagnostics and therapeutics. In addition, the forum will certainly pave a way to draft new proposals towards development of biomedical research. The highlight of the conference would be the plenary lectures by the experts, oral presentations by seasoned scientists, oral presentations by budding scientists, poster sessions, and award sessions.

As witnessed during COVID-19 medical emergencies, rapidly developed therapeutic approaches are the current needs; thus, comes translational science. It focuses on streamlining the process of translating *in-vitro* findings into reliable therapies. An unprecedented global health crisis due to Severe Acute Respiratory Syndrome-Coronavirus 2 (SARS-CoV-2) caused COVID-19 pandemic was declared in March 2020. Earliest phases of COVID-19 brought that SARS-CoV-2 infection could manifest in many ways, ranging from a completely asymptomatic condition to a serious illness with fatal complications requiring intensive care. Moreover, the evidence of pulmonary abnormalities, functional limitations, and long-term cardiovascular complications soon manifested in a substantial proportion of COVID-19 survivors, suggesting the existence of a post-acute COVID-19 syndrome causing residual disability and thus increased rehabilitation needs. Importantly, this gave rise to a vaccine race which, thanks to a global effort by the scientific community and governments, made possible the development of national prevention strategies based on mass vaccination protocols. To date, an estimated 13 billion vaccines have been administered worldwide. However, in the meantime, a plethora of new variants with different transmissibility rates and virulence appeared. Overall, the emergence of less virulent variants and the high immunisation coverage have altered the face of the pandemic, generating a significant easing of national restrictions in many countries while considerably reducing the perception of emergency. Nonetheless, mounting scientific evidence suggests that great caution is still required, as the vaccine fails to offer complete and persistent immunisation, with severe COVID-19 outcomes still possible despite full primary vaccination. Moreover, regardless of vaccination status, hospitalisation, and consequent sequelae clearly increase with the number of reinfections. Conclusively, it is that the pandemic could possibly lead to an evolution towards a new endemic phase. In this context, the requirement for high-quality preclinical and translational studies on COVID-19

remains unchanged, aiming to expound the mechanisms of infection and reinfection by the new variants, as well as the pathogenesis of acute manifestations and long-term complications.

Similarly, only a limited fraction of the complex and multiple molecular aspects of COVID-19 have been elucidated despite the vast number of articles published since the beginning of the pandemic. Interestingly, this number far exceeds that of papers dedicated to other respiratory diseases, including chronic obstructive pulmonary diseases, which have been studied for decades. Although only 3 years have passed, the growing scientific evidence on this new clinical condition is expected to increase further, as this reflects the enormous health, social, economic, and political impacts caused by the pandemic worldwide. It is that considerable uncertainty still emerges regarding the molecular mechanisms of SARS-CoV-2 infection and its consequences in various organs and tissues. Moreover, considering the virus ability to mutate into new strains, this knowledge about current variants and those that could newly emerge over time, further translational research is needed to better identification of the inflammatory pathways during infection with different variants and in vaccinated subjects as to enable new therapeutic strategies. It is also evident that our system of traditional medicine also meaningful in reducing the burden of viral infections like Covid-19. Having known the above facts, the following themes were designed and subjected for the exploration of translational research in Covid-19.

MAJOR THEMES

- COVID 19 – Present Scenario
- Status of Vaccines
- Infection and Immunity
- Advances in disease in diagnostics
- Traditional Systems of Medicine
- Human physiology and Pathology
- Bioinformatics and Biophysics
- Environment and Human Health
- Nutrition
- Oral health
- Physiotherapy and Physical Rehabilitation
- Advances in Critical Care Nursing
- Yoga and Naturopathy
- Sports and Exercise Physiology
- Ethics in biological research
- IPR in relation to biology

GUIDELINES FOR ABSTRACT SUBMISSION

The contents of abstract should include background, objectives, methods, results and conclusions under these headlines. The title should be in capital and in bold followed by name of authors (with first name first, then middle name followed by family name) and their institutional address along with the email address of the corresponding author. Do not append degrees, professional designations, etc to names. The name of presenting author should be underlined. The abstract should be typed using Microsoft Word (Times New Roman, font size 12 and 1.5 point spacing between lines, limit 300 words). Abbreviations used in the body of an abstract should be defined at their first mention in the text and 4-5 keywords should be included. Abstracts can be submitted through email mrgaciabms2024@gmail.com.

Abstract will be considered for the publication only if the presenting author has registered for the conference. Normally only one paper is allowed per author, unless prior permission of organizers is taken. If an abstract is accepted and presenter does not register, the abstract will be withdrawn. The last date for submission of abstract is 15th December 2023. Accepted abstracts will be published in the book of abstracts.

GUIDELINES FOR ORAL AND POSTER PRESENTATION

Guidelines pertaining to both oral and poster presentation are explained in detail in the conference website. It is imperative that the guidelines are strictly followed.

PRE-CONFERENCE WORKSHOP

A pre-conference workshop will be held on the 8th January 2024 on Methods of preparing research proposals and writing research articles in memory of Dr. Sarada Subramaniam (Late), the first president of IABMS. The workshop will include sessions on the principles of important basic and advanced techniques.

WORKSHOP COMMITTEE

Dr. T. Thirunalasundari, Professor (Rtd), Bharathidasan University, Tiruchirappalli.
Dr. K. Premkumar, Professor, Bharathidasan University, Tiruchirappalli
Dr. G. Mathan, Professor, Bharathidasan University, Tiruchirappalli
Dr. K. Panneer Selvam, Assistant Professor and Head, M. R. Government Arts College, Mannargudi.

National Advisory Committee

Dr. S. Venkatraman Retired Prof. of Madras University.
Dr. K. Dharmalingam, Madurai Kamaraj University, Madurai
Dr. C. Rajamani, CLRI
Dr. T. Thirunalasundari, Professor (Rtd) Bharathidasan University, Tiruchirappalli
Prof K. Padmakumar, Director, Centre for Marine Biodiversity, Kerala University Thiruvananthapuram 695 581.
Dr. E. Padmini, Principal (Rtd), Bharathi Womens College, Chennai
Dr. N. Thajudin, Pro Chancellor, Crescent University, Chennai
Dr. Madan Mohan, Department of Biotechnology, New Delhi.
Dr. G. K. Pal, Director, AIIMS, Patna
Dr. Manjula Santaram, Mangalore
Dr V. R. Bhagwat, Professor and Head, Department of Biochemistry, Government Medical College and Hospital, Dhule
Dr. C. S. Gowtham, Professor & Head, Dept. of Pharmacology, Government medical College and Hospital, Chandigarh
Dr. Suprata Gosh, Kolkata
Dr. M. Krishnan, Vice Chancellor, Central University of Tamil Nadu, Thiruvarur
Prof. Ram Rajasekaran Professor, Dept. of Microbiology

Central University of Tamil Nadu Thiruvarur
Dr. Rajaguru, CU Thiruvarur
Dr. B. P. Mishra, Senior Professor, Department of Environmental Science, Mizoram University, Aizawl - 796 004
Dr. Ramanamurthy Boppana Scientist-G and incharge Experimental Animal Facility NCCS, Pune.
Dr. S. Nargunaraja, Bharathidasan University, Tiruchirappalli
Dr. A. Hannah Rachel Vasanthi Professor, Department of Biotechnology, Pondicherry Central University. Puducherry. 605014.
Dr. V. Rajesh Kannan, Bharathidasan University, Tiruchirappalli.
Dr. K. Premkumar, Bharathidasan University, Tiruchirappalli
Dr. G. Madan, Bharathidasan University Tiruchirappalli
Dr. Joseph Selvin Professor, Department of Microbiology School of Life Sciences, Pondicherry University.
Dr. N. Ayyadurai Principal Scientist, CSIR-CLRI, Chennai

Dr. Ramanan P,
Associate Professor, Dept. of
Microbiology, Central University of Tamil
Nadu, Thiruvarur

Dr. Kaushik Rajaram,
Asst. Professor, Dept. of Microbiology
Central University of Tamil Nadu,
Thiruvarur

Dr. B. Vaseekaran, Professor, Alagappa
University, Karaikudi.

Dr. S. Sudhakar, Professor, Tirunelveli.

Dr. S. Uma Maheswari, Professor,
Tirunelveli.

Dr. T. Citarasu, Professor, Tirunelveli

Dr. A. Arun, Professor, Karaikudi

OFFICE BEARERS & EXECUTIVE COMMITTEE MEMBERS OF IABMS

PRESIDENT

Dr. G. K. Pal, Director, AIIMS, Patna

GENERAL SECRETARY

Dr. E. Padmini, Chennai

IMMEDIATE PAST PRESIDENT

Dr. T. Thirunalasundari, Tiruchirappalli

VICE PRESIDENTS

Dr. Subrata Ghosh, Kolkata

Dr. C. S. Gautham, Chandigarh

Dr. V.R. Bhagat, Dhule

TREASURER

Dr. L. V. Hemamalini, Chennai

OTHER INFORMATIONS REQUIRED FROM

Life Members are requested to send their academic, teaching and research acumen, the awards owned by them and other vital activities such as visit to foreign countries, delivering invited lectures etc., to the General Secretary for its presentation before the 44th Annual General Body Meeting of IABMS.

Life Members of IABMS, who would like to host 45th Annual Conference of IABMS, 2024 are requested to submit their willingness with official permission letter received from their necessary authorities or heads of the institution, in sealed cover for its approval by EC and by the General Body.

Life Members who wish to change their addresses for communication are requested to furnish the details as given in the format of this brochure.

Please send the above information to the General Secretary, IABMS - The General Secretary IABMS, Y Block No 57, 8th Street, Anna Nagar, Chennai – 600040.

FRESH LIFE / ANNUAL MEMBERSHIP OF IABMS

To become Life / Annual Members of IABMS, applicants are requested to submit their applications online (www.iabms.in), A copy of the same may kindly be forwarded along with the DD, CV., Master's Degree Certificate and photo, to the General Secretary, IABMS. In addition to the above items, the members are advised to send either the Life Membership fee of Rs.5000/- or Annual Membership fee of Rs.300/-. Payment must be made in DD only, in favour of "IABMS", payable at Chennai. For any clarification, please feel free to write to the General Secretary, IABMS. The hard copy of the above application acknowledgement along with DD should be sent to the General secretary.

I look forward to meet you all at the 44th Annual Conference of IABMS, M. R. Government Arts College, Mannargudi, Tamil Nadu India.

Thanking you,

With regards,

Dr. E. Padmini

General Secretary, IABMS

DECLARATION (FORMAT)

I hereby declare that I am the Annual / Life member (No.) of Indian Association of Biomedical Scientists (IABMS) and my research manuscript entitled
.....the nomination filed by me, may kindly be considered for the..... Award, in the 44th Annual Conference of IABMS, 2023. I hereby, certify that the research work submitted in the manuscript was done in Indian laboratory and is not presented elsewhere for consideration of any award / publication in any National / International Journal. My Life Membership Number and Address are as follows / I have applied for Annual Membership / Life Membership during the month year, and its approval by EC of IABMS is awaited:

Signature of Guide/Supervisor
(with seal)

Signature of Candidate

Date:

REQUEST FOR CHANGE IN ADDRESS OF PRESENT LIFE MEMBERS OF IABMS

To:

The General Secretary
IABMS

Madam,

My L.M. No. is..... and I was inducted as Life member in the year..... Now I wish to change my address for communication as follows:

(Please specify your Name, age, date of birth, present affiliation, address for communication, email address, Mobile No./ land line No. and attach your passport size photograph)

Signature of Life Member

Mannargudi is a town in Thiruvarur district in the Indian state of Tamil Nadu. The town is located at a distance of 28 km from the district headquarters Thiruvarur, 36 km from Kumbakonam, 40 km from Thanjavur, 92 Kms from Tiruchirappalli and 310 km from the state capital Chennai. Mannargudi is known for the Rajagopalaswamy temple, a prominent Vaishnavite shrine.

Rules for Oral Presentation

- The first author should present the paper.
- All oral presentations will get 5 minutes for presentation followed by 2 minutes for discussion.
- PPT should be of maximum 10 slides.
- The language of presentation must be in English.
- Certificate of participation will be issued in the name of presenter only.

Rules for Poster Presentation

- The first author should present the poster.
- Poster size should be 4*3 ft (Length* Width), flex print.

REGISTRATION

Abstract submission/Registration is open from 1st November 2023 to till 20th December 2023. You can register online at the website www.mrgac.ac.in by paying the registration fee through the payment gateway or by sending registration form to the Organising secretary. The registered delegates would be entitled for virtual/ in person admission to opening session, entrance to all scientific sessions, and conference materials, morning and afternoon refreshments and lunch.

Registration link : <https://forms.gle/uA4oJ7zwUDo6T7oz8>

Details of Bank Account

Name of the Account: **PRINCIPAL, M. R. GOVERNMENT ARTS COLLEGE.**

Name of the Bank and Branch: **State Bank of India, Mannargudi.**

Account Number: **37131292717**

IFSC Number: **SBIN0000872**

Account Number : 37131292717, IFSC Code: SBIN0000872

REGISTRATION FEE (Exclusive of 18% GST)

Category	Registration Fee (In INR) Before 15 th Dec 2023	Registration Fee (In INR) After 16 th Dec 2023
IABMS Members (Faculty)	Rs. 2000	Rs. 2500
Non-members (Faculty)	Rs. 2500	Rs. 3000
Research scholars/Postdocs (Members)	Rs. 2000	Rs. 2500
Research scholars/Postdocs (Non-members)	Rs. 2500	Rs. 3000
Students (Members)	Rs. 800	Rs. 1000
Students (Non-members)	Rs. 1000	Rs. 1200
Spot Registration (For Faculty and Research Scholars)		Rs. 4000
Spot Registration (For Students)		Rs. 1500
Workshop registration	Rs. 500	Rs. 500
Combo offer to student-workshop and Conference (Members)	Rs. 1200	Nil

Privileges

*Includes physical access to all the sessions at the conference venue, lunch, refreshments, registration kit and participation certificate (printed)

*Registration for the conference is mandatory for participation in the workshop.

*Student delegates should produce a bonafide certificate from their institute.

Accommodation

Type of Room	Tarif for 24 hours
Single Non-A/C for students for Dormitory type	Rs. 500/-
Single A/C	Rs. 1100 Onwards
Double A/C	Rs. 1850 Onwards

44th Annual Conference of Indian Association of Biomedical Scientists (IABMS)

**&
National Conference
on**

**Post COVID 19 Pandemic Era – Clinical and Translational Research
(NCPCPE - CTR)**

8th, 9th and 10th January, 2024

Organized by

Department of Microbiology, M. R. Government Arts College, Mannargudi – 614 001,
Thiruvarur Dist., Tamil Nadu, India

REGISTRATION and ACCOMODATION FORM

NAME (Prof./Dr./ Mr./Mrs) : _____

Nature of IABMS Membership : Member/ Non-Member

If IABMS member, mention membership No, (ANNUAL/ LIFE)
: _____

Designation : _____

Organisation : _____

E. mail : _____

Phone Number : _____

Registration Fee Payment details : _____

Whether accommodation Needed : Yes/ No

Meal type : Vegetarian/ Non-Vegetarian

Date and Time of Arrival :

Date and time of Departure :

Accommodation will be arranged in the hotels on request. Room type will be allotted as per your requirements and according to the availability. Those who are interested to stay in hotels must pay for the day in advance. Please inform us the nature of accommodation you need in advance which help us to book rooms for your holistic and comfortable stay.
